

Bridges to Health and Healthcare

May 31, 2018 • 8:30am-3:30pm

Located at: Region VII Area Agency on Aging Conference Center
1615 S. Euclid Ave. Bay City, MI

Practices learned in this training can help reduce unnecessary readmissions and reduce the use of emergency room doctors as primary care physicians. Practices shown are also proven to reduce costs without reducing quality, to reduce patient provider misunderstanding, and to enhance community health, stability and more.
